ITW Electronic Component Solutions

RoHS2 and China RoHS CERTIFICATE OF COMPLIANCE

Lumex part series listed below are in compliance with Directive 2011/65/EU and China RoHS on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directives).

RoHS Compliant Series List

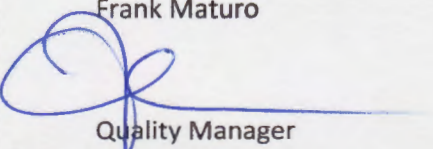

CCL-	LDQ-	SML-
CLS-	LDS-	SSA-
GT-	LDT-	SSB-
IFL-	LPA-	SSF-
LCD-	LPB-	SSH-
LCM-	LPF-	SSI-
LCR-	LPI-	SSL-
LDC-	LOD-	SSN-
LDD-	OED- (except OED-PCC)	SSP-
LDF-	SFX-	SSR-
LDG-	SLX-	SSS
LDM-	SNW-	STF-
LDP-	SMF-	

RoHS2 is a CE marking directive. The CE marking for RoHS2 applies to finished electrical and electronic equipment. The CE mark is not applicable to Lumex products as they are component level items intended for use by the purchasing manufacturer in specific higher level sub-assemblies, assemblies or end products.

We hereby certify that Lumex LED parts do not contain the substance Decabromodiphenyl Ether (Deca-BDE).

No exemptions are claimed.
